

PROJECT GOAL STATEMENT

The Bow-Concord I-93 Corridor should balance the needs of all users and the surrounding communities by providing a safe, affordable, reliable, environmentally acceptable and community compatible transportation system. The system will offer mobility choices and complement the unique character of the Capitol Region communities. It will support their economic initiatives, preserve and/or enhance their natural and historic resources, facilitate non-vehicular access, and sustain the communities' quality of life, now and into the future.
