

# Community Transportation Workshops

I-93 through Bow and Concord is going to change.

The New Hampshire Department of Transportation (NHDOT) is conducting a planning study of the Interstate 93 Corridor through Bow and Concord. Three Transportation Workshops will present the problems, goals, and criteria that will be used to evaluate solutions for this regionally important corridor. One hour small group sessions will be used to gather public comment on the Problem Statement, Goal Statement, and Screening Criteria. The sessions will also ask the public for ideas on possible solutions.

Come to one of these sessions:
