

Public Informational Meeting

I-93 Bridges over I-89

What: Public Informational Meeting

When: Wednesday,
October 6, 2010
7:00 p.m.

Where: Bow Municipal Building, Room C
10 Grandview Road
Bow, NH

Who: **YOU**
Residents,
Business Owners,
Commuters,
Local Officials

The bridges that carry Interstate 93 over Interstate 89 and the Turkey River are currently on the State's Red List due to their poor condition. The age and condition of the bridges has resulted in the need to replace them. The new bridges will be designed to accommodate additional lanes for future traffic demand. The new bridges will be constructed in phases to minimize impact to the traveling public.

The Public Informational Meeting will provide more information on how the bridges will be replaced and how it will impact traffic in Bow, Concord, and the Central NH Region. A formal presentation will begin at 7:00 p.m., following which any questions/input from the public is welcomed.
